Re: Nevin v. USA

Dear Dr. Meselson:

Thank you for your letter of December 19, 1980.

I am enclosing a copy of my letter to my opponent in the above matter, which sets out our extensive schedule for depositions. You will note that we have set your deposition for Monday, February 23, 1981, to take place in your office that morning. I would look forward to meeting with you briefly some time on the Sunday preceding your deposition to discuss the matter. I will not be arriving in Boston until late Saturday evening.

I enclose an extra copy of this letter to enable you to indicate whether or not February 23, 1981 fits in with your schedule, and also to indicate a convenient time to meet with you on Sunday, February 22, 1981.

Very truly yours,

Edward J. Nevin
