Dear Martin,

I am away, on a cruise in the Aegean, until September 14. I will return on TWA flight 192, at 7:37 p.m., that Monday.

If you are still here, we could get together that evening. From the airport I will come to my office in the new Biochemistry Building at 7 Divinity Avenue. You could leave word during the day with my secretary, Ms. Percoco, at 495-2264.

As ever,

Matt
