Dear Joe,

I would like to study at the Agency office in Cambridge the Agent GD Summary Report, Edgewood Arsenal Technical Report, ED-TR-74066, Dec 74 (confidential), AD C000613.

If it is not troublesome to obtain the appropriate references I would also like to study the corresponding reports GB and VX, but I do not have their proper designations. The materials could be transmitted through Mr. Richard Hughes, Box 271, Central Square P. O., Cambridge, MA, 02139. His telephone number is (617) 354-7080.

Sincerely yours,

Matthew Meselson
Professor of Biochemistry
