20th July 1982.

Dear Mr. and Mrs. Haber,

I want to thank you for your kind hospitality and interesting discussion of last Thursday afternoon.

Here is a reference to the effect of malingering on US mustard casualty numbers which I mentioned. I look forward with much anticipation to the publication of your book.

Next time you communicate with Marie (Maryanne), please let her know how glad I was to have news of her.

Sincerely yours

Matthew Meselson
