Dear Matt,

I tried to get a rise out of the Government about Gromyko's statement regarding on-site inspection, in last week's debate on defence in the House of Lords. I enclose* the relevant Hansard. My own reference is in col. 157, but you will see from the Government's reply in col. 214 that the point was deliberately missed. I propose raising it again.

Where are you, and when am I going to see you ?

A handwritten signature in black ink, appearing to read 'James Brog'. The signature is written in a cursive, somewhat stylized hand.

*under separate cover.
