Mr. Matt Meselson
Department of Biochemistry
Harvard University
7 Divinity Avenue
Cambridge, Mass. 02138

Dear Matt:

I am enclosing a statement by Ken Adelman at the U.N. regarding use of Soviet chemical weapons. As I said in my note, any discussion of treaties on chemical warfare has to deal with this issue, and perhaps you would have some of your own sources as well.

With all best wishes,

Yours,

James Chace
