Dear Dr. Meselson,

Thank you for agreeing to be interviewed about "YELLOW RAIN" for our documentary to be broadcast on the BBC's main speech network, Radio 4. The presenter of the programme, David Wheeler, will come to your office with a tape recorder at 1000 on Monday 12th September.

As I said on the 'phone, we have already talked to Dr. Julian Perry Robinson. The programme will be a 45-minute documentary looking at the evidence for and against 'yellow rain' and examining the political and scientific issues raised by this story.

David Wheeler looks forward to meeting you on 12th September and I look forward to hearing the interview when he returns.

Yours sincerely,

Anne Winder
