Dear Matt:

Trust you've gotten the copy of my opus for comment. It's what I tried to get you to join me in.

For your information, my Yellow Rain calculations are based on 100 ppm. mycotoxin in whatever Yellow Rain might be.

Mathias will probably obtain a Foreign Affairs hearing on this. We should have fun.

Trust you appreciate the broad and grave implications here.

A handwritten signature in cursive script, appearing to read "Saul".
