Dear Jean Cristophe:

Last week I spoke by telephone with Mr. Boun K Keut, the Laotian Chargé d'affaires in Washington. He asked that I express mail to him my request for visas which he would personally bring to Vientiane a few days later. The enclosed stapled pack is a copy of everything I sent to him. I did not discuss my request to you for assistance.

I also enclose a recent article on yellow rain for your interest.

I am most grateful for your help. With warm regards and best wishes for the New Year.

As ever,

Matthew Meselson
