Dear Dr. Bunner:

I wonder if you would be so kind as to send me a copy of your 1983 report entitled 'Acute Trichothecene Intoxication in Animals'. If possible, I would like a copy of this and any other available reports from the AMRIID dealing with trichothecenes.

I look forward to receiving the report and if there are related materials I could supply you with, please let me know.

Sincerely,

Matthew Meselson
