Zuckerman

Professor Matthew Meselson,
The Biological Laboratories,
Harvard University
10 Divinity Avenue
Cambridge, Mass 02138
U.S.A.

30th October, 1984

Dear Matt,

I got in touch with the head of our Civil Service when you approached me about your contacts with Porton, and I have now had a note from him saying that the representatives whom you met found their discussions with you very useful. He also says that "Porton Down would welcome further discussions with Professor Meselson as their knowledge of the subject increases".

*John,
5522*
