Dear Julian:

If they can be found in the heaps, I will bring Cassell and Ochsner to London.

Sussex should send no more than the £5,000 you suggest, since the money will not gather interest here. If the only certain expenses over the short term are a possible trip to England or something of that nature, even less than £5,000 would be enough.

As ever,

A handwritten signature in dark ink, appearing to read 'Matt'. The signature is written in a cursive, somewhat stylized hand.
