Matt -

By now you should be
back in Cambridge, as you probably
have been for a week or two. I
hope your Greek holiday was pleasant
a a good break.

This trip of mine is only a
very brief one, a family-filled week-
end and now five days up here with
friends. I'd hope to make it a longer
trip & not only spend more time here
but go on to Paris & some hiking in the
Alps, but I've got to get back to
New York.

I will, again, get to Cambridge
but will speak to you over the phone
before I make plans.

Please give my regards to
Jeanne -

With best,

Stewart
