Professor Matthew Meselson
Department of Biochemistry & Molecular Biology
Harvard University
Cambridge
Massachusetts 02138

Dear Professor Meselson

Thanks for the reprint on Yellow Rain.
I did do something on this subject a
year or so ago when there was something
about it in Science. Unfortunately, I
have not been able to turn up the copy
of what I wrote or I would have sent it
to you.

Thanks anyway.

Yours sincerely

Bryan Silcock
Science Editor
