Congressman John M. Spratt, Jr.  
Congress of the United States  
House of Representatives  
Washington, D.C. 20515

Dear Congressman Spratt,

Thank you for your kind letter of December 4th and the letter enclosed with it. I admire the care with which you have studied the problem of chemical weapons procurement and hope that I can be of some help in the future.

Best wishes in the New Year,

Sincerely yours,

Matthew Meselson  
Professor of Biochemistry  
and Molecular Biology
