Dear Herbert,

Here is the name I promised to send you:

Dr. James Mason, Director
Center for Disease Control
1600 Clifton Road
Atlanta, Georgia 30333
Telephone: (404)329-3311

I enclose a recent editorial from the Wall Street Journal citing unpublished French results in support of its view of yellow rain. On that subject, I enclose a copy of a letter I sent to you a few days ago, in case it has not yet reached you.

As ever,

Matthew Meselson
