125 Sussex Drive  
Ottawa, Ontario K1A 0G2

Dear Gordon,

Here is a memo I prepared on the Ban Sa Ton incident. I would greatly value having your correction of any factual errors and your general comments. I have asked a few others to check it over as well. You may be sure that I will hold your response in confidence and will use it only to improve the memo.

It was very good to meet you in Ottawa.

Sincerely yours,

Matthew Meselson
