Dear Dr. Meselson:

I've enclosed a copy of our latest issue of Spectrum, which contains the special report on verification called "The hide-and-seek of peacekeeping."

Because you contributed to the report, I wanted to send you a copy promptly. I hope you find the articles informative and interesting.

If you would like additional copies, just drop me a line.

Thanks for all your help.

Yours truly,

John Horgan (188)
