Dear Matthew:

Thank you ever so much for sending me a copy of your report on the outbreak of Anthrax in Sverdlovsk, which I have read with great interest. Also, many thanks for sending me the "yellow rain" paper. As I indicated, I will be in touch with Bill Hyland about "Foreign Affairs."

It was a great pleasure to see you at commencement, and you have honored us by becoming a member of the Yale family.

With warmest regards,

Sincerely,

Professor Matthew Meselson
