WALTHAM, MASSACHUSETTS 02254-9073

November 20, 1987

Dear Matt:

Here is a copy of Warren Phillips' answer to my letter of November 10th. I don't know what he means by other recognized men of science -- if you'd like, you can ask him. Personally, I resent the way they have slandered you and will not forget, but I am sure your standing as a scientist will remain unimpaired.

Sincerely,

Tom
