Dear Dr. Forer:

I do not know if US Government Agencies have funds for out-of-country contracts in connection with chemical arms control. I suggest that you contact two individuals who are aware of their agency's activities in this regard:

Alexander De Volpi
Building 208
Argonne National Laboratory
Argonne, IL 60439

Dr. Robert Mikulak
US Arms Control and Disarmament Agency
ACDA/MA
Room 5919 New State Building
