Dear Dr. Meselson:

Enclosed are galley proofs of your text on chemical and biological weapons for our article The Technology of WAR.

Please review the text and bibliography. We are sending a copy to Dr. Robinson; you may return your responses together or separately, depending on your convenience.

Because of the demands of our production schedule, I ask that you return the proofs by September 8. If you use express mail to meet this deadline, we will reimburse you for the expense. Please tell us the cost.

You may call me collect at (312) 347-7913.

Sincerely,

Robert Curley
