

Huang

October 18, 1989

Dr. Alice Huang  
Children's Hospital  
Division of Infectious Diseases  
300 Longwood Avenue  
Boston, MA 02115

Dear Alice:

I thought you might like to see this draft chapter for a Pugwash book on arms control verification.

At least we will still get to see you in Woods Hole.

Sincerely,

Matthew Meselson
