

Mottahedeh

October 19, 1989

Professor Roy Mottahedeh
Department of History
Harvard University
Robinson Hall Room 212
Cambridge, MA 02138

Dear Roy:

It was very kind of you to send me the article by Seth Carus. I know Seth but had not previously seen a copy of his article.

In May, I will go to a meeting in Jordan organized by the Quakers to discuss chemical disarmament with officials of several Arab nations. When you have some time, let's get together, perhaps for lunch.

Sincerely,

Matthew Meselson
