Professor Matthew Meselson
Department of Biochemistry and Molecular Biology
Harvard University
7 Divinity Avenue
Cambridge Massachusetts 02138
UNITED STATES OF AMERICA

Dear Professor Meselson

Thank you for sending me a copy of your 15 December Newsday article on the need for a Chemical Weapons Convention. On that score New Zealand is in complete agreement, for we consider it is only through the vehicle of a multilaterally binding treaty that all states will, once and for all, renounce the chemical weapons option.

Yours sincerely
