30 January 90

Dear Matt:

Here are some items you asked for, or that I wanted to pass on to you. First, here's the name and address of the editor of the "Chemical Weapons Special Edition" to add to your mailing list:

Herbert J. Coleman
Chief, American Forces Information Services
SAF/AAR Pentagon
Washington, DC 20330-1024

Secondly, you asked for a breakdown of the production cost for the Bulletin. The cost of producing CWCB no. 6 follows.

Daystar (printing: 2,500 copies of 24 pages) \$1,219.05
Postage costs \$31.00 for 3rd class	
\$100.00 for 1st class	
\$98.00 to Geneva for European mail	
\$89.00 to Julian (Fed Ex) for UK mail	
 \$318.00
payment to SHIB \$4,000.00
Total\$5,537.05

Only the costs that are unique to the CWCB are listed. A fraction of the cost of the publications that FAS receives and the time spent scanning and copying info, postage to send the clips to Julian, and a portion of my pay could also be added in.

Also, the core group of the Bio/Toxin weapons verification is meeting in Cambridge on (Saturday) the 10th of February at the Whitehead Institute. In addition to Bob Weinberg, Gordon, Barbara Rosenberg, Jim Leonard, Paul Doty, Alexis Shelokov, Arthur Galston, Will Carpenter, and Marie Chevrier will be there. They will be discussing/reviewing the draft report which Marie is writing, and I'm sure the project would benefit from your presence if you are able to make it. The meeting will begin at 9:00 am and run into the afternoon.

That's all. Best wishes,

Lora
