

To, Collins

March 19, 1990

Henry Collins  
Major, U.S. Army  
United States Information Agency  
301 4th Street, SW, Room 558  
Washington, DC 20547

Dear Major Collins:

Thank you for your letter of March 9. I am interested in the AmPart Program, although I will not be able to take time off until our Spring Semester, from mid February to mid May, 1991. I include a current C.V.

The appropriate topic would be "Chemical Weapons, Anti-Chemical Protection and Chemical Arms Control".

Sincerely yours,

Matthew Meselson  
Professor of Biochemistry  
and Molecular Biology
