Dear Rolf:

I am writing to ask if you would be willing to write the guest editorial for the next issue of the Chemical Weapons Convention Bulletin. We would be particularly interested in having your thoughts on what is really needed in order to accelerate the multilateral negotiation in Geneva and bring it to a successful conclusion. Your article could be either short or long, anywhere between approximately one thousand and five thousand words. In case you have not seen the current issue, a copy is enclosed. My telephone number is (617) 495-2264. I can also be reached by telefax at (617) 495-8308.

With warm regards,
