Vienna, 30. May 1990

Dear Prof. Meselson

I am seeking your assistance in securing admission to Kansas State University, Manhattan, Kansas, for my son Ammar Rahim A. ALKITAL, a graduate of the University of Technology, Baghdad. He graduated in June 1989 in civil engineering. He was born on 23.8.1967. A preliminary admission for MSc degree is very much needed to complete formalities with the Iraqi Authorities. I shall complete all necessary documents required by the University as soon as I receive them.

I know I am late, but that is why I am seeking your assistance.

I hope that you have enjoyed your stay in Jordan as much as I did. I am looking forward to seeing you again.

With my best wishes.
