Dear Matt,

Enclosed is a copy of the article by the former Australian ambassador to Iraq. It was sent by a friend, who did not make clear the name of the author (which is handwritten under the title).

I sent your packet of material on to Israel. It is possible that they will not be concentrating on such subjects at the moment, but I will make a push to convince them it is worth finding someone serious to participate.

All the best,

AUG 27 1990
