United States Senate  
COMMITTEE ON FOREIGN RELATIONS

Dear Dr. Messelou, —

1. Here is that article. I mailed it to the Biology Dept. 3 yrs, it came back, addressee unknown. —  
The 2 statutes are in Cambridge until April. — Szicard with  
Ch. Sci. & Int. Aff.  
Ted Postal of MIT & Forum  
with Dick Wilson — physics Harvard  
Art Rosenfeld liked the Szicard one  
so much he had a duplicate  
made, to keep. —

2. Attached is the TTBT Compliance  
Sec. — for ratification. We  
should do something on your  
issues of US/SU CW.

Two approaches -

a) pass Leg. to get Ex. Branch  
to rebo analysis

b) Have Sen. Intel. Comm. Look  
at data via a Pell letter. -

I tend to favor (b), but will  
poke around. -
