Dear Professor Meselsohn

Thank you for your letter of November 16 and the enclosed papers. A copy of the bibliography which you requested is enclosed.

I enjoyed our discussion after the presentations and am sorry it was so brief. I would appreciate keeping in touch with you regarding this subject, and will be sure you are on our mailing for further reports. Regarding your CBW colloquim at the Kennedy School, I would be delighted to give a presentation. My guess at this time is that next Fall would be appropriate. I'll let you know later as to a specific time.

Sincerely,

*John P. Carrico*
