Dear Matt,

Apropos to your two inquiries concerning putting together a group of Capitol Hill staffers and others to become more informed about the CWC, I had lunch recently with Scott Harris. Scott, as you probably know, follows CW issues from the vantage point of the Democratic Policy Committee, where he assists Senator Mitchell. He's interested in helping to convene a group of Senate staffers. When I mentioned the need for bipartisan sponsorship, he suggested Mira Baratta, who covers the Arms Control Observer Group for Senator Dole.

Let me know if you wish me to pursue this further.

Best wishes,

Michael Krepon
