Hrach Gregorian  
United States Institute of Peace  
1550 M Street NW, Suite 700  
Washington, DC 20005

Dear Mr. Gregorian:

Thank you for your kind invitation to the Middle East arms control symposium on March 11. I am most interested in chemical and biological weapons disarmament but regret that I will not be able to attend the conference. I enclose for your possible interest a paper on the latter subject.

Sincerely,

Matthew Meselson  
Professor of Biochemistry  
and Molecular Biology
