Congressman Martin Lancaster  
US House of Representatives  
1417 Longworth Building  
Washington, DC 20515

Dear Congressman Lancaster:

By now you will have received copies of the Chemical Weapons Convention Bulletin with your lead article. We are very grateful to you for this most useful contribution. For your possible interest, I enclose a copy of the article on chemical defense which, unlike the version that appeared in the Bulletin, includes references.

Sincerely,

Matthew Meselson  
Professor of Biochemistry  
and Molecular Biology
