Dear *Professor Meselson,*

1. Thank you very much for your letter of 28 March 1991 inviting me to contribute an article for publication in the next issue of the Chemical Weapons Convention Bulletin. I will be delighted to accept your invitation and intend to produce an article on "Strengthening the BWC Regime: A Defence View".
2. I will ensure that you have the text by the first week of June. Thank you for sending me copies of the two most current numbers of the bulletin as examples of the style and length of articles you have carried.

Yours sincerely

Graham Pearson
