Following Dr Kaplan's telephone call of today we have discovered that your signature is required on a WHO form and that a fax will not do. Therefore I have sent the form, together with instructions, with one dose of anthrax vaccine to Professor Jacob at the Institute Pasteur, Paris. This should arrive tomorrow, Friday, 24 May, during the afternoon. I would be grateful if you could fill in and sign the form and express mail it back to me.

If possible could you bring a copy of the curriculum vitae you sent to UNIDR and enclose it with the signed form.

Best regards,

Jack Woodall
