Dear Rabbi Cooper,

24 May 1991

Following our telephone conversation yesterday, I want to give you some telephone and FAX numbers that can reach me in Paris and Geneva.

Saturday May 25 until Tuesday morning, May 28:

Residence Parisiana Pantheon

4 rue Tournefort

75005 Paris

telephone (33) 1 43 31 50 33

(our reservation is under my wife's name, Mme Jeanne Guillemin-Meselson)

May 28-31, traveling in Burgandy, unreachable.

Friday May 31-Monday morning June 3:

Attending a conference at the Chateau de Bossey, near Geneva

telephone (41) 22 7 76 25 31

FAX (41) 22 7 76 01 69

I will of course greatly appreciate any information you send me. If you wish to list the items in order of priority, please do so. Also, do whatever you think best to eliminate possible ambiguity in the identity of the items, for example by providing alternative spellings or auxiliary information.

I will be in my office here to day, Friday, in Cambridge until 5:00 PM EST. Telephone (617) 495-2264, FAX (617) 495-8308.

Thankyou for the help and best wishes,

*Matthew Meselson*
