Dear Francesco:

Much as I would like to accept your kind invitation to the Pugwash Conference this September, I cannot. It is just the time I will become heavily involved in teaching my large undergraduate class in genetics.

Considering the imminence of the CW Convention and the great importance of Chinese adherence, I hope there will be several people representing this interest at the Conference. Amongst Americans, I would suggest Ambassador James Leonard, Ambassador Charles Flowerree or Dr. Will D. Carpenter.

Sincerely,

Matthew Meselson
