

Seminar on the Biological Weapons Convention
Noordwijk, The Netherlands 6-8 Feb. 1991

Gordon

ADVANCE COPY

Views on Possible Verification Measures for the Biological Weapons Convention

See pages 22-25!!

Edited by
S. J. Lundin

All the best.

Matt —
Does ICSU have a
role in this as proposed
in this excerpt of 22-25?
ICSU has an ad hoc
committee to see if there is a role
in the area of weapons of mass
destruction (bio + chem at least)
for a group of scientists.

Are there any
many groups already?
