Dear Dr. Meselson:

The Chemical Warfare/Chemical and Biological Defense Information Analysis Center (CBIAC) has been tasked by OTASD(AE)(CM) to maintain a central repository for CW treaty documentation. We understand that your organization has recently conducted studies in the area of chemical weapons (CW) treaty verification.

In order to keep our collection as comprehensive and up-to-date as possible, we request you send us copies of any reports which you have produced on CW treaty verification. If you cannot furnish reports, we would greatly appreciate receiving citations. Reports should be sent to:

**Battelle Edgewood Operations
Attn: CBIAC/Nancy Brletich
2113 Emmorton Park Road, Suite 200
Edgewood, MD 21040**

Enclosed is a flyer which describes the CBIAC CW treaty reference collection and several free services offered by the CBIAC.

Thank you for your cooperation. If you have any questions, please contact me at (301) 676-9030.

Sincerely,

Nancy Brletich
