Professor Benoit Morel
Department of Engineering and
Public Policy
Carnegie-Mellon University
Pittsburgh, PA 15213

Dear Benoit:

Thank you for the documents you sent. I don't know what your problem is with Jessica Stern. I am glad to be a member of her committee as I told Al Carnesale but I'm not willing to be chairman since I believe that to be the responsibility of her home department. I hope this helps in making whatever decision faces you.

Sincerely,

Matthew Meselson
