Der Beauftragte der Bundesregierung
für Fragen der Abrüstung
und Rüstungskontrolle

Bonn, September 4, 1992

Ambassador Dr. Josef Holik

Professor Matthew Meselson
Department of Biochemistry
7 Divinity Avenue
Harvard University
Cambridge, MA 02138
U S A

Dear Professor Meselson,

thank you for your letter of August 24, 1992, and the most recent issue of your Chemical Weapons Convention Bulletin.

As we discussed on the telefon recently, it will be a pleasure for me to contribute an article on the successful conclusion of the CW negotiations.

I will see to it, that my contribution reaches you before December 7.

Sincerely yours
