Dear Ambassador Holik:

I write to ask if you would think it a good idea in writing your article for the Chemical Weapons Convention Bulletin to give your perspective and views regarding the next stages in the CWC process, particularly on the tasks and issues to be addressed by the Preparatory Commission. Such an emphasis would be both timely and of real benefit as a contribution to the work of the Commission. But let me emphasize that this is only a suggestion and that we will be delighted to have your article regardless of which aspect of the CWC you choose to write about.

Advisory Board:

Will D. Carpenter
Jonathan Dean
Charles Flowerree
Shirley Freeman
James Leonard
A.J.J. Ooms

As we discussed, we look forward to receiving your text by December 7.

Sincerely yours,

Matthew Meselson
Professor of Biochemistry
and Molecular Biology
