Dear Drs. Meselson and Broude,

Below is the schedule for Evgeny Sverdlov, and relevant phone numbers. I am leaving this afternoon (to get married !!), and won't be back to the lab until February 15th. I would be most grateful if the two of you could arrange Evgeny's time in Boston.

Dr. Broude: Could you especially contact Richard Smith and Charles Geimer and try to finalize appointments. My notes are unfortunately incomplete-- I don't have a record of whether appointments were made or what.
