Prof. Matthew Meselson
Department of Biochemistry
Harvard University
363 Biochem Office
Cambridge, MA 02138

Dear Prof. Meselson:

We write to invite you to attend a lecture, reception, and dinner to be held March 9 at the Kennedy School of Government in honor of Lt. General Valere Manilov, who is presently Marshal Shaposhnikov's right-hand man at the CIS Supreme Command.

Lt. General Manilov will present a lecture on "The Future of the Russian Armed Forces" from 4:00 to 6:00 p.m. in Bell Hall in the main building of the Kennedy School, located at 79 JFK Street, Cambridge. This will be followed by a reception from 6:00 to 6:30 and a dinner from 6:30 to 9:00 p.m., both of which will be held in the dining room on the fifth floor of the Taubman Building. The Taubman Building is located between the Charles Hotel complex and the main building of the Kennedy School.

These events are jointly sponsored by Professor Robert Blackwill and the Kennedy School's Center for Science and International Affairs. If you would like to attend the dinner, please RSVP to Ms. Amy Blitz, 495-1464, by Friday, March 5 to reserve a place. No reservation is needed for the lecture. We look forward to seeing you.

Sincerely,

Robert Blackwill
Professor, Kennedy School
