7 Divinity Avenue,
CAMBRIDGE

FAX: 1 - 616 - 495 8308

Dear Mathew,

I gather that you and Jeanne will be giving a joint paper at the AES meeting in Pittsburgh later this month. It will be interesting to know how it goes as this will be the first public discussion of our collective trip last June, outside of the limited attendance institutional meetings. Good luck.

Does this signify that you have completed the first draft of the joint paper for Nature? I hope so.

Best wishes,

Yours sincerely,

Martin Hugh-Jones
