Dear Ambassador Batsanov:

Julian Perry Robinson has told me that you might be willing to write an article for the forthcoming issue of our quarterly journal the CHEMICAL WEAPONS CONVENTION BULLETIN. As I believe you discussed with Robinson, what we would most value from you is a description of the present organization and major tasks before the Preparatory Commission, written for our readership of interested academics, government officials and media.

Advisory Board:

Will D. Carpenter
Jonathan Dean
Charles Flowerree
Shirley Freeman
James Leonard
A.J.J. Ooms

The article could be included in our March issue if it would reach me by telefax or express at the above address early in the week of March 15. In view of your dedicated efforts on behalf of the CWC and your present position, we enthusiastically welcome the opportunity to publish an article written by you.

On the weekend of March 13-14, I can be reached at (508) 540-0086. During the week, I can be reached at my office (617) 495-2264 or at home (617) 576-1449.

Sincerely,

Matthew Meselson
