Dear Mat,

How did your paper go last week? Well, I hope.

Thanks for the xeroxed two pages of comments in Russian on the various folk in the Abramova/Grinberg series.

However they only refer to Yasinskaya, Vostrikov, Lavrov, Lozhkin, Klyestov, Gayda, Sizikov, Abusigatov and Kramskoy. Nothing that I could see on Lyakova. Am I being stupid and missed it? Have you some other comments elsewhere on this good lady?

Give me a call when you have a moment.

Best wishes to you both,

Yours sincerely,

Martin Hugh-Jones

PS: I found a one-sentence coment, no more, on Abramova et al's paper in last week's 'Spectator' out of England. Will send a xerox.
