POLAND

Dear Dr. Mierzejewski:

Please forgive me for taking so long to answer your letter. Last June, I took a team of independent scientists to Sverdlovsk to study the anthrax epidemic. The enclosed two publications resulted from that study. I have not seen what you refer to as "Gen. Kalugin's enunciation concerning the Sverdlovsk anthrax epidemic". What did it say?

Sincerely,

A handwritten signature in black ink that reads 'Matthew Meselson'. The signature is written in a cursive, flowing style with a long horizontal stroke at the end.

Matthew Meselson  
Professor of Biochemistry  
and Molecular Biology
